

## Download Library items with cloudLibrary Android Phones

Here are the basic directions for checking out and downloading eBooks or audiobooks with the cloudLibrary app.

You will need:

- A Wi-Fi or 3G/4G internet connection
- A valid Lewiston Public Library card

### Download & open cloudLibrary app:

Make sure you are connected to Wi-Fi or 3G/4G

1. Open the Play Store
2. Search for “cloudLibrary”
3. Download the free app
4. Tap the screen to get to the login page
5. Select “United States” (on phones this may be selected already)
6. Select “Maine”
7. Select “Lewiston Public Library”
8. Enter in your library card number. Be sure to include all numbers that appear on your card **without** spaces. Touch “Login”

## Download Library items with cloudLibrary Android Phones

- When you open the cloudLibrary app you will see a collection of all the materials in the download library.
- You must be connected to an active Wi-Fi or 3G/4G connection to download eBooks and audiobooks. You do not need to be connected to read items you have downloaded.
- Items with a set of headphones on them are Audiobooks. eBooks have no special icons.
- Filter items by touching on the menu button in the upper right corner and selecting “Filters” Filtering allows you to sort items by eBooks, Audiobooks, All Library Titles, Available Now, and Suggestions for library. Selecting an option will place a blue checkmark next to your selection.

### First Time Setup

1. Open the cloudLibrary app
2. Before browsing touch “Settings”
3. To enable email notifications about items you have on hold touch the line that says “Email” and select the option to have cloudLibrary send you email notifications. If you select “Yes, notify me.” you will be prompted to enter your email address. cloudLibrary will send you a verification email to confirm your email address.
4. To enable automatic downloads of audiobooks touch “Downloading Audio” to enable audio downloads. To enable audio streaming touch “Streaming Audio”. Both of these options will use either your cellular data or your wi-fi connection. eBooks download automatically.
5. You can also adjust other settings here such as screen sleep time-out, audiobook playback speed, delete your reading history, and anonymous usage statistics. Your cloudLibrary profile is also located in the settings.
