# **“Name that L/Andmark” Fundraiser**

**Saturday, March 16, 2019 • 1-3 PM**

Callahan Hall, Lewiston Public Library

Join the Friends of the Library for an afternoon of guessing fun(draising) to support the Lewiston Public Library! Registration forms should be completed and turned in to the Lending Services Desk (1<sup>st</sup> floor) of the Library, along with each participant’s registration fee (**cash or check only**).

**All payment due upon registration; teams and groups should plan to register together.**

## **RULES OF PLAY**

1. There will be an individual competition and a team competition. Each individual and each team is eligible to win. You might win twice!
2. Players can register individually, as groups, or as teams of up to 8. Individuals or groups of less than 8 will be assigned to teams. Registration will be limited to 96 players on a first come, first serve basis. Cost \$20 per player, all funds benefitting Friends of the Lewiston Public Library.
3. The players will be shown video clips of local historic sites, scenic sites, and businesses.
4. Each clip starts with an extremely close view of the subject and then moves back to reveal more details. Players will try to be the first to identify each site without error. After the site has been correctly named, the video will be allowed to continue, revealing beautiful shots of many local sites, including dramatic high elevation drone shots.
5. Teams will determine strategies to minimize errors.
6. Winners will be determined by number of correct answers minus number of errors.
7. Winners will choose from prizes donated by local businesses. There will be at least three individual awards and two team awards.
8. There will be an intermission with light refreshments halfway through the game.
