

## 2024 Lewiston Public Library Annual Objectives

- Develop a referrals directory to assist Reference Desk staff in answering challenging referral-type questions that come up on a semi-regular basis.
- Finalize and launch Children's Room Renovation fundraising campaign.
- Switch the location of the Teen Lounge and Teen Collections Room to improve sightlines, noise control, and to allow for expansion of popular Teen collections.
- Connect with our senior community through better relationships at assisted living facilities, senior housing, and expanding the Outreach program.
- Develop plan for providing children's materials and services during department renovation.
- Implement more baby and toddler programs to engage with new families and provide parenting resources.
- Create a Library-wide disaster plan for archival restoration and preservation.
- Analyze and expand offerings of digital resources.
- Improve community awareness of special collections, services, and partnership opportunities.
- Introduce new types of borrowing materials to reduce barriers to accessing information.
